YOUR SUBSTITUTE must have a written statement signed by you authorizing registration on your behalf. Forms are available at the Admissions and Records Office. It is not necessary that your authorization be made on the form provided by the college; however, if you prepare your own statement, it must contain specific information. Contact the Admissions and Records Office for details.

YOUR SUBSTITUTE should also have your registration worksheet, a list of classes you wish to take (including several alternates) and sufficient funds to pay the necessary fees listed under Enrollment Fees on page 12.

Students are responsible for paying any fees due by the payment due date. Click on "Your Payment Due Date" under the Financial Information heading to determine when your fees are due. Steps of how to register online are provided on page 10.

#### Student Schedules

Students who register in person will receive a registration statement at the time of registration. The registration statement will also include the payment due date. Students are not sent a copy of any registration transactions or a class schedule when using WebAdvisor. DROPPING A CLASS – Refer to the Enrollment Dates and Deadlines on page 1. Students may drop a class using WebAdvisor or in person. Students not in GOOD standing must drop a class in person at the campus Admissions and Records office.

It is the student's responsibility to officially drop classes in which the student no longer wishes to be enrolled.

- Withdrawal from a full-term 18-week class through the end of the third week (prior to the 20 percent point) will result in no entry on the student's permanent record.
- Withdrawal from a full-term 18-week class beginning the fourth week through the ninth week (50 percent point) of instruction will result in an entry of "W" recorded on the student's permanent record.

#### GENERAL REQUIREMENTS FOR REGISTRATION

DOUBLE-CHECK everything carefully. The college assumes no responsibility to adjust time conflicts which are the result of the student's own error. The online registration system will catch most time conflicts, but the final responsibility is yours.

#### Prerequisites/Corequisites/Advisories

Students are urged to study the description of courses in the college's catalog to ensure that prerequisites are satisfied before registering for a course. Correct registration at an early date is important. A prerequisite is defined to mean a condition of enrollment that a student must meet in order to register in a course or program. A student may challenge any prerequisite by completing the Prerequisite/Corequisite Challenge Petition available in the Counseling Center. It is the student's responsibility to be certain that he/she has met the necessary prerequisite(s) for any course he/she wishes to take. The student will be dropped from any class where it is verified that the necessary prerequisite has not been successfully passed. Prerequisites will be validated after final semester grades have been posted. It should be understood by the student that whether or not a prerequisite is specifically stated, the instructional staff of Fresno City College assumes that each student who enrolls in a transfer-level course possesses sufficient competencies in the areas of reading, writing and mathematics to be able to profit from instruction. A corequisite indicates that the course must be taken simultaneously with another course if not already completed. Advisory indicates that the institution recommends, but does not require certain course work be taken prior to enrolling in the described course.

#### **Other Limitations on Enrollment**

Enrollment in certain courses or educational programs of study may require tryouts, auditions or may be limited by health and safety considerations, facility limitations, faculty workload, the availability of qualified instructors, funding limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

#### **Course Repeatability for Financial Aid**

If a student takes a course and does not successfully complete it, units for the same course can be included in the calculation of his attendance for any subsequent semesters as long as the student continues to meet Satisfactory Academic Progress standards.

- If a student has passed a course two times and enrolls in the course a third time the units will not be fundable for financial aid. All "D" grades are considered passing for financial aid regardless of institutional policy.
- If a student has passed a course and repeats the course, but receives a failing grade the second time then the student will be ineligible for future funding for that particular course.

The regulations do not allow accommodation for "special courses" or for certain groups of students, such as those with disabilities. All students are treated the same for calculation of attendance status for the federal programs.

#### Police

The State Center Community College District maintains a college police department for the protection and safety of all people and property of the college district. All campus officers are certified by the California Peace Officer Standards and Training Commission and have the same powers and restrictions as any other law enforcement officer. Furthermore, the SCCCD Police Department will investigate any incidents that may hinder or obstruct the educational and administrative process of the college.

The District Police Department is available to assist with a wide range of situations. In addition to law enforcement activities, the Police Department can help parking permit holders experiencing dead car batteries or "lock-out" incidences on a limited basis, when parked in a campus parking lot. Any questions about safety or crime issues can be answered by calling or visiting the District Police Department at 1940 N. Calaveras, directly east of the FCC campus. Informational brochures containing public safety information and statistics are available at the District Police Department. Call 559-442-8201 for more information. Individuals requiring emergency police assistance should use the emergency telephones in yellow boxes with blue lights located throughout the campuses.

#### **Ram Pantry**

**Ram Pantry** is a free food assistance program for college students currently enrolled at Fresno City College with an Associated Student Body (ASB) card. The Ram Pantry believes that food insecurity and hunger should not be a barrier to success for students. It is located in the Bookstore Building and is open Tuesday and Thursday from 9:00 a.m. – 12:00 p.m. and and Tuesday Wednesday from 9:00 a.m. until 4:00 p.m.

# FRESNO CITY COLLEGE 21

#### **Class Attendance**

A student who does not attend the first meeting of any registered class may be dropped from the class. It is the student's responsibility to make arrangements with the instructor if the first class meeting is missed. Absences from class due to transportation delays, personal and business engagements, or to complete registration or program changes are considered unexcused absences. A student who is continuously absent for two weeks may be dropped by the instructor provided the absences occur prior to the final drop deadline. Students who show a pattern of absences which the instructor considers excessive may also be dropped prior to the final drop deadline provided the instructor has given students notice of this policy in the course syllabus. In accordance with the State Education Code and college policy, no student may be dropped after 50 percent of the class but must receive a letter grade other than a "W." Students who intend to drop a class should do so themselves and not depend on the instructor to drop them for nonattendance. The college and its individual instructors assume no responsibility to change grades assigned to a student as a result of the student's failure to drop a class properly.

#### Computer/Network Equipment Use Policy

Every State Center Community College District student is permitted to use a District owned computer/network. As a condition of this use, each student agrees to:

- use the computer/network for educational purposes only and not for any commercial purpose or financial gain;

- not use the electronic mail system for an illegal or illicit purpose, including solicitation; the District reserves the right to monitor all computer activities on its computers; the student agrees to abide by the rules of any other computer system that he/she may contact through the Internet;
- not transmit any communication in which the meaning of the message or its transmission or distribution would violate any applicable law or regulation or be offensive to the recipient or recipients; and
- not search, view or download pornographic material through any means.

It is understood that information, programs or data a student obtains from the Internet are used at his/her own risk. Elevators are located in many areas throughout the campuses. They are intended primarily for use by students with physical disabilities and authorized staff. Each time others use the elevators, students with physical disabilities may be prevented from arriving to class in a timely manner. Please be courteous of persons with special needs and use the stairs whenever possible. On the occasions when you must use the elevator, please allow students with disabilities and authorized staff to enter first. Do not crowd or push if the elevator is full; wait for the next available elevator.

#### **Enrollment Certification**

To acquire an enrollment certification, log on to the Fresno City College website and click on "Forms Online."

#### Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act outlines certain rights students have concerning access to and release of their educational records. The district regulation implementing this act can be obtained from the Admissions and Records Office, and all students are urged to obtain a copy. The act ensures that the college will not release student records to anyone who is not designated by the student to receive them except as provided by the law itself. The law authorizes the release of directory information which includes name, address, telephone, date and place of birth, major field of study, participation in activities, dates of attendance, degrees and awards, and the last institution attended. Objection to the release of this information may be made in writing at your Admissions and Records Office.

#### Grading

Consult your college catalog (available for sale in the college Bookstore) for information on the current grading system. Most courses can also be taken Pass/No Pass (P/NP) grade option. Students electing the P/NP option must fully participate in class activities and fulfill all other class requirements. Units earned on a P/NP basis will be disregarded in determining the student's grade point average. See your college catalog for further details and deadlines. Students planning to transfer to a four-year university should be aware of that institution's policy toward P/NP grades before exercising this option.

#### **Checking Grades Online**

Students may review grades or unofficial transcripts on WebAdvisor at any time.

- STEP 1 Login to WebAdvisor through the "My Portal" site at <u>www.fresnocitycollege.edu</u>.

# **Study Abroad**

Students at Fresno City College, Reedley College, Madera Community College, and Clovis Community College may take advantage of international study programs offered by the college district. The international programs allow students an opportunity to study other countries while earning transferable college credit, as well as enable them to gain a first-hand understanding of other regions and cultures of the world.

The Office of International Education has cancelled study abroad programs for 2021, due to Department of State, World Health Organization and Center for Disease Control Travel Advisories. The District International Education Workgroup and program faculty will discuss strategies for future study abroad programs and possible plans for 2022. As student safety is a priority, all of the planning for future study abroad programs will depend on the national and international travel and health advisories.

#### Student Right-to-Know Campus Security Act

In compliance with the Student-Right-to-Know and Campus Security Act of 1991 (Public Law 101-542), it is the policy of the State Center Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1996, a cohort of all certificate-, degree- and transfer-seeking, first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at the State Center Community College District, nor do they account for student outcomes after this three-year tracking period.

Based upon the cohort defined above, 27.5 percent attained a certificate or degree or became 'transfer prepared' during a three-year period from Spring 1996 to Spring 1999. Students who are 'transfer-prepared' have completed 56 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 20.9 percent transferred to another postsecondary institution, (UC, CSU, or another California community college) prior to attaining a degree certificate or becoming 'transfer-prepared' during a five-semester period from Spring 1997 to Spring 1999.

Annual reports of criminal activity and procedures for prevention of campus crime as required by the Crime Awareness and Campus Security Act of 1991 are available at the District Police Department.
