## ENROLLMENT DATES AND DEADLINES

Apply online at [www.fresnocitycollege.edu](http://www.fresnocitycollege.edu). NEW, TRANSFER AND HIGH SCHOOL ENRICHMENT STUDENTS must file an application for admission in order to receive an assigned registration date. RETURNING FORMER STUDENTS who have been away for two or more semesters must file an application in order to receive an assigned registration date. CURRENTLY ENROLLED STUDENTS will receive their spring enrollment material beginning in October (currently enrolled students do not need to reapply.) For best selection of classes, students are encouraged to enroll on their assigned registration date. Students may combine regular full-term 18 week courses with short-term courses.

**IMPORTANT MESSAGE ON DROP DATES AND OTHER STATE-MANDATED DEADLINES** It is the student’s responsibility to comply with the following state-mandated deadlines.

**Fee Refund:** State code defines the drop-deadlines required to qualify for fee refund/reversals as on or before 10 percent of the duration of the class. Check with Admissions and Records or the Business Office for deadlines.

**Pass/No Pass:** Students must submit a request if they wish to take a class on a Pass/No Pass status (or cancel a previous request for Pass/No Pass status). Check with Admissions and Records for the deadline on your class. A “P” (Pass) grade is not an acceptable grade for courses in a Transfer Major.

**No Record (DR):** Classes dropped before 20 percent of the class meeting dates will not be reflected on the student’s transcript. Check with your instructor for the deadline applicable to your class.

**Withdrawal (W):** A student will be assigned a grade of “W” for classes dropped on or after 20 percent of the class meeting dates, up to and including 50 percent of the class meeting dates. After the 50 percent point, the student must receive a letter grade other than a “W” (i.e., A, B, C, D, F, I, P, NP). Check with your instructor for the deadline applicable to your class.

## CLASS SCHEDULE PLANNING HINTS

Planning your class schedule (along with an alternative schedule or two), obtaining the necessary approval signatures (see Counseling, page 18, for details), clearing registration holds, etc., should be done well in advance of your assigned date in order to avoid last minute delays in your registration.

- **BEGIN PLANNING** your class schedule with those courses which are the most critical for you to have or those which are limited to one or two sections. Build the balance of your schedule around these courses. Prepare several alternative schedules in case your first choice(s) is closed. Also take into consideration such things as your transportation time to and from the campus, finding a place to park, travel time between class locations, your job and break periods for meals and/or library preparation time.
- **DOUBLE-CHECK** everything carefully. The college assumes no responsibility to adjust time conflicts which are the result of the student's own error. The online registration system will catch most time conflicts, but the final responsibility is yours. The time you invest in this type of planning will not only help to make your registration much easier but will also make your entire semester more enjoyable and productive.

### Late Registration

Beginning the first week of classes, a student on a class WAIT LIST or wishing to add a class will be required to obtain an *Add Authorization* from the instructor of record. *Add Authorization* allows the student to register for that class using the WebAdvisor registration system. Specific instructions on how to use the *Add Authorization* with WebAdvisor is provided by the instructor at the time the *Add Authorization* is acquired.

Students who are not in "Good" standing or have any outstanding registration holds will not have access to WebAdvisor registration. The student will need to contact Admissions and Records at: [registration@fresnocitycollege.edu](mailto:registration@fresnocitycollege.edu) or submit a request at [www.fresnocitycollege.edu/AR](http://www.fresnocitycollege.edu/AR).

### Other Limitations on Enrollment

Enrollment in certain courses or educational programs of study may require tryouts, auditions or may be limited by health and safety considerations, facility limitations, faculty workload, the availability of qualified instructors, funding limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

- **INSTRUCTOR PERMISSION** – Classes require instructor permission. Obtain the necessary permission from the instructor or division office.
- **PETITION REQUIRED** – Classes are part of a learning community or special program. Please refer to the printed schedule for contact information

### Prerequisites/Corequisites/Advisories

Students are urged to study the description of courses in the catalog to ensure that prerequisites are satisfied before registering for a course. Correct registration at an early date is important.

A prerequisite is defined to mean a condition of enrollment that a student must meet in order to register in a course or program. It is the student's responsibility to be certain that he/she has met the necessary prerequisite(s) for any course.

A corequisite indicates that the course must be taken simultaneously with another course if not already completed.

The student will be dropped from any class where it is verified that the necessary prerequisite or corequisite has not been taken or has not been successfully completed with a grade of "C" or better, or a successful challenge is not on file.

It should be understood by the student that whether or not a prerequisite is specifically stated, the instructional staff of this college assumes that each student who enrolls in a transfer level course possesses sufficient competencies in the areas of reading, writing and mathematics to be able to profit from instruction.

#### Prerequisites and Corequisites can be fulfilled in the following ways:

- **SUCCESSFUL** completion of the prerequisite or corequisite course with a grade of "C" or better.
- **CHALLENGE** – Students who do not take the English or Math placement test may furnish other evidence (e.g., college transcript, other college placement tests) which provides verification he/she has successfully completed the college level prerequisite or corequisite course(s). This evidence MUST be presented or available to a counselor at the time you seek written approval prior to registration.

An Advisory indicates that the institution recommends, but does not require, certain course work be taken prior to enrolling in the described course.

### Waitlists

When unable to find an open section of a course, students may have the option of being placed on a "WAIT LIST" for a specific section of the course. Please note that the following rules apply:

1. Students may add their name to any available "WAIT LIST" up to the last day of registration prior to the beginning of the class.
2. Students will be added to a "WAIT LIST" on a first come, first-serve basis.
3. Students cannot be placed on a "WAIT LIST" prior to their registration appointment date.
4. Students on a "WAIT LIST" will have first priority for any seats in a "full" class that may subsequently become available during the first 20% of the course PROVIDED that they attend each and every class meeting (for 18-week semester courses, this is the first 3 weeks of class).
5. A "WAIT LIST" will be available only for current class sections that are "full" (that is, the class has reached its "maximum class size"). No "WAIT LISTS" will be available for "canceled" class sections or class sections that are not yet "full". Not all classes have wait lists.
6. Students cannot be placed on a "WAIT LIST" for a section of a course when already enrolled in another section of that same course.
7. Students cannot be on more than one "WAIT LIST" for the same course.
8. The Admissions and Records Office will regularly monitor all classes with existing "WAIT LISTS" up to the start of the semester. When an open seat becomes available, the top student on the wait list will receive PERMISSION TO REGISTER and be notified by email. Student must register before the expiration date on the permission notice.
9. On the first day of class, instructors will determine the number of openings available in the class, and then offer spaces to students who are on the "WAIT LIST" (providing they are present in the class) in the order in which their names appear on the list. Student is responsible for officially adding the class within published registration dates.
10. After the "WAIT LIST" for the class is exhausted, additional openings, if any, will be filled by the instructor in accordance with existing college and district policy.
11. Any and all other registration rules (conflicts, overload, administrative or student holds) may prevent the student from enrolling in a class. For details or visit [www.scccd.edu/waitlist](http://www.scccd.edu/waitlist)

  - Withdrawal from a short-term class will vary based upon the meeting dates of a class. The student will need to obtain these dates from the Instructor.
  - An entry of "W" will be recorded on the student's permanent record beginning at the 20 percent point of a class through the 50 percent point of a class.
- **WITHDRAWAL FROM COLLEGE** – A student may withdraw from all classes, using WebAdvisor, provided the student is in GOOD standing, or in person through the last day of the ninth week for full-term classes (18-week) or the 50 percent point of short-term classes. Extenuating circumstances are verified cases of natural calamity, military conscription, family or job displacement, jury duty, declaration of war, death in the immediate family, accident or illness, or other circumstances beyond the control of the student. Petitions for Withdrawal due to Extenuating Circumstances are available at the Admissions and Records office or online at [www.fresnocitycollege.edu/AR](http://www.fresnocitycollege.edu/AR).

### Course Repetition for a Better Grade

Students may repeat a college course, not designated as repeatable, in which they have received a grade of D, F, NC/NP, or W, by re-enrolling in the course. 1. Student has received two (2) failing grades D, F or NC/NP, or
2. Student has received two (2) W's, or
3. Student has received a combination of one (1) failing grade and one (1) W.

### Address Change

It is the responsibility of the student to keep the college informed of his/her current address. Students can make address changes at [www.webadvisor.scccd.edu](http://www.webadvisor.scccd.edu).

### Class Attendance

A student who does not attend the first meeting of any class for which he/she has registered may be dropped from the class. It is the student's responsibility to make arrangements with his/her instructor if the first class meeting will be missed. Absences from class due to transportation delays, personal and business engagements, or to complete registration or program changes are considered unexcused absences. A student who is continuously absent for two weeks may be dropped by the instructor provided the absences occur prior to the final drop deadline. Students who show a pattern of absences which the instructor considers excessive may also be dropped prior to the final drop deadline provided the instructor has given students due notice of this policy in the course syllabus. In accordance with the State Education Code and college policy, no student may be dropped after 50 percent of the class but must receive a letter grade. Students who intend to drop a class should do so themselves (see Dropping a Class on page 15) and not depend on the instructor to drop them for nonattendance. The college and its individual instructors assume no responsibility to change grades assigned to a student as a result of the student's failure to drop a class properly.

### Student Right-to-Know and Campus Security Act

In compliance with the Student-Right-to-know and Campus Security Act of 1991 (Public Law 101-542), it is the policy of the State Center Community College District and Fresno City College to make available its completion and transfer rates to all current and prospective students. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Fresno City College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 27.5 percent attained a certificate or degree or became 'transfer prepared' during a three-year period from Spring 1996 to Spring 1999. Students who are 'transfer-prepared' have completed 60 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 20.9 percent transferred to another postsecondary institution, (UC, CSU, or another California community college) prior to attaining a degree, certificate or becoming 'transfer-prepared' during a five-semester period from Spring 1997 to Spring 1999.

Annual reports of criminal activity on campus and procedures for prevention of campus crime as required by the Crime Awareness and Campus Security Act of 1991 are available at the District Police Department.

## ADVISING NOTES:

- CSU transfer admission requirements include the completion of minimum 60 transferable units with a 2.0 or higher GPA and 30 units of general education courses with "C" or better grades, including Oral Communication (A1), Written Communication (A2), Critical Thinking (A3), and Mathematics/Quantitative Reasoning (B4). Students will need to complete additional coursework in their major and maybe some elective courses. Please consult ASSIST for applicable major coursework and see a counselor to develop a Student Educational Plan (SEP).P.
- The above courses are **CSU GE-BREADTH APPROVED FOR FRESNO CITY COLLEGE ONLY**. Students completing courses at other California community colleges, in particular Reedley College, Madera Community College, Oakhurst Community College Center, and Clovis Community College, should carefully review course differences in GE placement. GE courses taken outside of the FCC GE Breadth will be pass-along/certified in the area for which they were approved at the college where the course was taken.
- \*Courses listed above in more than one location will only be counted one time. Also, the same course, e.g., **CLS 29/HIST 29**, can be counted only once. After completing one of these courses, see a Counselor to identify which area you intended to use the course so that the course is coded correctly for your CSU GE certification.
- Students may not elect CR/NC graded coursework to satisfy major, major G.E., or major additional requirements unless the course has been designated CR/NC only.
- Students who have completed College Board Advanced Placement (AP) examinations with a score of 3 or higher and submit an official College Grade Report from the College Board can receive units of college credit for each examination. See a counselor for a complete list of AP examination credit.
- To earn an AA-T or AS-T Degree at Fresno City College** - students must complete maximum of 60 CSU transferrable course using CSU GE Breadth pattern or IGETC pattern with a minimum 2.0 GPA and have a minimum of 18 major units. Students must apply for the AA-T or AS-T using WebAdvisor.

## CSU GENERAL EDUCATION CERTIFICATION

### ***MOST OFTEN ASKED QUESTIONS***

1. ***What is the California State University (CSU) General Education Breadth (GE-Breadth)?***  
The CSU GE Breadth lists the coursework that allows students to fulfill 39 units of lower division general education at a California Community College prior to transferring to a CSU.
2. ***Is a minimum grade in all General Education courses required?***  
Students must have a “C” or better in (A1) Communication, (A2) English, (A3) Critical Thinking, and (B4) Mathematics and 30 units of general education courses with “C” or better grades. Courses with a grade of “D” in other areas are acceptable provided that the student has a cumulative 2.0 or higher GPA. Most CSU departments require a “C” or better in all courses, including GE, required in the major.
3. ***Are credit/no credit courses acceptable?***  
Credit/No Credit (pass/fail) grading is acceptable for CSU GE, since Fresno City College has a “C” or better grade policy that must be earned for the credit or pass grade. Some CSU campuses have limitations on the number of ‘pass/no pass’ courses that may be used towards degree requirements. Please check with your counselor.
4. ***Will “double counting” be allowed where the same course meets a GE requirement and is also required as preparation for the major?***  
Yes. Students may ‘double-count’ courses towards major and general education requirements. However, some CSU campuses have limits on the number of courses that can be double-counted. Please check with your counselor regarding this policy. Go to [www.assist.org](http://www.assist.org) to view the courses needed to prepare for your chosen major.
5. ***Is it advisable for all CSU transfer students to follow the General Education Breadth?***  
Most should, but students pursuing majors that require extensive lower division major preparation such as ENGINEERING may find that the full CSU General Education pattern is not required and LIBERAL STUDIES majors should NOT follow this GE pattern. Students who are attending a CSU or UC and have declared in these major should use ASSIST for major and general education preparation. Students are recommended to consult with the CSU catalog or the CSU department.
6. ***What if I don’t complete the entire General Education Breadth prior to enrolling at a CSU?***  
If the GE Plan is not completed and CERTIFIED prior to transfer, students must meet the lower division general education requirements of *the areas not certified* for the CSU campus to which they transfer. This means that students may be required to take additional GE classes because the courses required are slightly different.
7. ***Is completion of the CSU GE Certification an admission requirement?***  
No. Completion of the CSU GE Certification is not an admissions requirement. However, students are advised to complete the CSU GE Breadth and their major preparation courses prior to transfer. You can view major preparation courses at [www.assist.org](http://www.assist.org).
8. ***Must the entire General Education pattern be completed in order for a student to be certified?***  
To qualify for “full certification”, a student must satisfactorily complete no fewer than 39 lower- division semester units or 58 lower-division quarter units in all Areas A-E. Students can request a “partial certification” in which students have completed 1 or more subject areas and met the minimum unit requirements. For the subject areas not completed, students will be required to complete the lower division general education requirements at the CSU campus to which they transfer. These requirements vary from campus to campus.
9. ***When do I request General Education CERTIFICATION?***  
Students should request for certification at the end of their last semester at FCC before transferring. This requires a counseling appointment. FCC must have official transcripts on file at the Admissions Office if courses from another college are being used towards certification. Official copies of test results from Advanced Placement (AP), International Baccalaureate (IB) and College Level Examination Program (CLEP) must be on file at the FCC Admissions Office if the student wishes to use these tests towards GE certification. Students must REQUEST CSU GE CERTIFICATION at the time they order their FINAL transcripts at the admissions office before transferring to a CSU campus. Transcript request forms are available online at [www.fresnocitycollege.edu](http://www.fresnocitycollege.edu), select Forms – Online.  
When a student requests CSU certification, the community college verifies that the student has completed courses that satisfy all or a portion of the 39 units of CSU GE requirements.
10. ***Do you need an Associate (AA or AS) degree to transfer?***  
No. You do not need an associate degree to transfer; HOWEVER, with SB 1440 students who completed additional major courses not part of the CSU GE Pattern and receive the Associate Degree for Transfer (AA-T or AS-T) will be guaranteed transfer admission to a CSU.  
NOTE: Students who earn an Associate Degree Transfer (ADT) and meet the CSU minimum eligibility requirements are guaranteed admission to a CSU, but not necessarily to a particular campus or major. With the ADT, you may be given a GPA bump when applying to an impacted campus outside your local area or an impacted major that is deemed similar. See a counselor for more information. In addition, once at the CSU, if you are admitted and enrolled in a designated similar degree program you have the opportunity to complete your bachelor’s degree with as little as 60 semester units or 90 quarter units of coursework. A counselor will help you determine which CSUs offer bachelor’s degrees that correspond to your AA-T or AS-T degree. It is still important for you to apply to the schools that interest you and follow admissions deadlines to be considered.
11. ***How do I request official transcripts?***  
Official transcripts are processed through the FCC Admissions and Records Office. If students have questions or concerns regarding their transcript request, please call the Admissions & Records Office at (559) 442-8228. Students may track their transcript request 48 hours after it has been submitted by logging into WebAdvisor and select “Transcript Request” under Academic Profile.

## IGETC ADVISING NOTES

1. Full or Partial IGETC certification of coursework is certified by the last California community college attended for a regular (fall or spring) semester prior to transfer. Students should request certification at the time when final transcripts are sent to the transfer institution. Partial certification is defined as completing all but two (2) courses on the IGETC pattern. **Warning:** Students need Area 1 and Area 2 completed to meet minimum transfer admission requirements.
2. + = Transfer credit is limited by either UC or CSU or both. Please consult with a counselor.  
\* = Courses listed in multiple areas shall not be certified in more than one area except for courses in Languages Other Than English, which can be certified in both areas 3B and 6.
3. **Advanced Placement credit** - exam scores of 3, 4, or 5 can be used to meet IGETC subject areas and English Composition, but not Critical Thinking. Contact individual UC campus for application of advanced placement credit toward major requirements.

## GENERAL IGETC INFORMATION

- a. The IGETC is a general education program that California Community College students can use to fulfill lower division (freshman-sophomore) general education requirements for any CSU or UC campus and many California private colleges/universities.
- b. Many students attend multiple California Community College campuses. If that's you, be sure to follow the IGETC at each college of attendance. IGETC policy states that IGETC coursework completed in a specific subject area will be used in the area designated by the California Community College at which the course was completed. This is also the policy if you complete courses at more than one of the SCCC campuses. You must follow the IGETC of each campus you attend.
- c. For IGETC to be certified, all courses must be completed with a "C" or better.
- d. A grade of "CR" (credit) or "P" (pass) may be used if the grading policy of the community college states that "CR" or "P" is equivalent to a grade of "C" or better. The UC will allow no more than 14 semester units taken CR/P toward UC eligibility or IGETC. The CSU campuses vary on the number of units they allow. Please check each college's catalog or see a counselor for more information.
- e. Courses may be used only once to satisfy one subject area even if they are listed in more than one subject area.

## CAMPUS SPECIFIC IGETC INFORMATION

The following list specifies the various majors, by campuses that have substantial lower division prerequisites. The most up-to-date information regarding the acceptance of IGETC at specific colleges in each UC is available online at <http://admission.universityofcalifornia.edu/>

1. **UC Berkeley:** College of Letters and Science: Either IGETC or the college's requirements (Reading and Composition, Quantitative Reasoning, and Language Other than English) are acceptable. Colleges of Engineering and Chemistry: In general, IGETC is not appropriate. College of Natural Resources: IGETC is acceptable; however specific lower division major requirements must still be satisfied. College of Environmental Design: IGETC is acceptable with full certification to fulfill CED's breadth requirements. Partial certification will not complete the requirements. Haas School of Business: IGETC is not accepted.
2. **UC Davis:** All undergraduate colleges accept IGETC. However, Bachelor of Science degrees and high-unit majors often have many courses for lower-division preparation; in these cases, IGETC is not recommended and the UC Davis general education pattern is the better choice.
3. **UC Irvine:** All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major.
4. **UC Los Angeles:** IGETC is acceptable in all schools except The Henry Samueli School of Engineering and Applied Science: IGETC is not accepted.
5. **UC Merced:** School of Engineering: IGETC is strongly discouraged but accepted as students are encouraged to focus on lower-division major preparation prior to transfer. School of Natural Sciences: IGETC is not recommended but accepted as students are encouraged to focus on lower-division major preparation prior to transfer. School of Social Sciences, Humanities, and Arts: IGETC is recommended and students are encouraged to complete as much lower-division major preparation as possible prior to transfer.
6. **UC Riverside:** College of Humanities, Arts and Social Sciences: IGETC is recommended. College of Natural and Agricultural Sciences: IGETC is not accepted. The Marlan and Rosemary Bourns College of Engineering: IGETC is acceptable; some additional coursework may be required after enrollment. School of Business Administration (SOBA): IGETC is required
7. **UC San Diego:** John Muir, Earl Warren, Thurgood Marshall and Sixth Colleges: IGETC is acceptable. Eleanor Roosevelt and Revelle Colleges: IGETC is acceptable; however some additional coursework may be required after enrollment.
8. **UC Sanra Barbara:** College of Letters and Science: IGETC is acceptable. College of Creative Studies: IGETC is acceptable. College of Engineering: Students are encouraged to focus on major preparation rather than general education, but may use IGETC to substitute for most general education requirements. However, some additional coursework may be required after enrollment to complete the depth requirement if not satisfied during IGETC certification.
9. **UC Santa Cruz:** For majors in the physical and biological sciences or the Jack Baskin School of Engineering: IGETC is not recommended. Students should ensure completion of lower-division courses for their intended major, as indicated in the UCSC Catalog and on [ASSIST.org](http://ASSIST.org).

## OTHER UC INFORMATION

The UC TAP tool is designed for use by students transferring from California community colleges, including those students who are seeking a Transfer Admission Guarantee (TAG) with one of the six participating UC campuses. Students can use the Transfer Admission Planner to enter their coursework (completed and planned) from the very beginning of their college careers, or at any point when they decide to transfer to a UC campus. To access TAP visit: <https://uctap.universityofcalifornia.edu/students/index.cfm>

Six UC campuses offer the Transfer Admission Guarantee (TAG) program for California community college students who meet specific requirements. By participating in TAG, students will receive early review of your academic records, early admission notification and specific guidance about major preparation and general education coursework. Keep in mind: TAG applications are due Sept. 30, but you can only apply for a TAG at one campus. To keep your options open, apply to other UC campuses during the regular application cycle (Nov. 1-30). To access TAG visit: <https://uctap.universityofcalifornia.edu/students/index.cfm>

**Online and Hybrid Courses**

Online courses are 100% online and require no face to face meetings. Online classes are distributed through the Internet, allowing for flexibility in time and place. You must have access to a computer and the Internet to participate in an online class. Students who are most successful in taking online classes are self-motivated. Students need to be comfortable in communicating electronically rather than through the oral interaction that takes place in a traditional classroom.

Hybrid courses require some face to face meeting and online hours.

### Trial Schedule Worksheet:

For each class, list the course number in the appropriate time slots for each day the class is scheduled to meet. If class time extends beyond the hour (such as a class that meets from 9:00 to 10:15), shade in the time slot to the nearest half hour. It is the responsibility of the student to avoid time conflicts. The college assumes no responsibility to adjust time conflicts that are the result of a student error. After you have planned your schedule, transfer course section information to Student Registration Worksheet on the reverse of this form.

## DAY CLASSES

- If your class does not start on the hour, please assume that it starts at the beginning of the hour in order to determine on which day and at what time your final exam will be. (For example: If you have a 9:30 a.m. Tuesday/Thursday class, your class will then fall into group 9:00 B.)
- Classes which meet two days a week and which have different starting times for those two days will have a final exam determined by the first class meeting of the week. (For example: A class which meets at 9 a.m. on Monday and 10 a.m. on Wednesday will fall into group 9:00 A.)
- Examinations calling for special arrangements and/or approved makeup exams must be scheduled through the class instructor. Final examinations not adhering to this schedule may be made by the instructor and are subject to approval by the division dean.
- Students who have three final examinations scheduled on the same day may seek to have one final exam moved to another day by contacting the individual instructors BEFORE the start of the final exam week.

## EXTENDED DAY

(Classes beginning at or after 4:30 p.m. and Saturday classes.)

- Final exams will be given during the final exam week using the above schedule.
- Classes which meet more than once during a week will meet only once during the final exam week, with the class meeting devoted to the final examination. Unless approved by the division dean, such classes will meet on the first normally scheduled night.

NOTE: Instructors must submit their final grades in the Student Services Building, no later than noon on Monday, December 12, 2022.

\* Open periods are for final exam conflicts, makeup exams, and exam by special arrangement.

\*\* Classes falling into these groups are possibly in conflict with other classes. If so, the other classes have priority for the rooms. The instructor will choose an open period for the final exam.

§ For night classes, the instructor should begin the final exam at the time the class usually begins.
