ADVISING NOTES:

1. The Bachelor of Science degree with General Kinesiology Option in the Kinesiology major at Fresno State requires a minimum of 120 semester units of which a maximum of 70 semester units can be from the community colleges. Students may not elect CR/NC graded coursework to satisfy major, major G.E., or major additional requirements unless the course has been designated CR/NC only. If there are lower division requirements which FCC does not offer, they must be taken after transfer to Fresno State. If there is a “break” in your attendance, you will be required to fulfill current Fresno State catalog requirements. Consult the Fresno State catalog for complete degree requirements. Contact your counselor if you have questions.

2. The General Kinesiology Option is for a student with an interest in employment in a variety of health fields.

3. Grade of “C” or higher required in all major courses. Any course required as a prerequisite must be completed with a grade of “C” or better.

4. The Kinesiology Department will use FCC’s BIOL 24 as a substitution for KINES 35.

5. Biology 1 or 5 is prerequisite for Biology 20 and 24 at FCC. BIOL 1 or 5 can be used for General Education and a request for certification be made when requesting final transcripts upon transfer.
