Associate in Science Degree

Minimum requirements for the Associate in Science Degree are the same as for the Associate in Arts Degree with the exception of the major requirement which specifies completion of a specific pattern of courses in any occupational curriculum or completion of at least twenty (20) units in the physical sciences, the biological sciences and engineering.

Requirements for the Associate in Arts for transfer (AA-T) or Associate in Science for transfer (AS-T)

A newly established variation of the associate degrees traditionally offered at a California community college, the Associate in Arts for Transfer (AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-t) are guaranteed admission to the CSU system, but not to a particular campus or major. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

Certificate of Achievement

A Certificate of Achievement shall be awarded to students who successfully complete a specified curriculum (minimum of 12 units) with a minimum "C" grade in each required course. The specific courses required for the Certificate of Achievement are identified in each occupational degree curriculum where such certificates are awarded.
