- 4. All students intending to transfer to a 4-year music program should anticipate piano competency exams at that institution. Enroll in Beginning Piano MUS 20 to prepare.
- 5. All students interested in a music major should read the catalog and consult with music faculty and a counselor as soon as possible.
- 6. General Education and Degree Requirements for the A.A. or for transfer should be taken in addition to major requirements. Transfer students planning to transfer in two years will probably need to attend summer sessions to complete these requirements.
