Notes:

1. Designed to provide specialized education for those students desiring a career as crime scene investigators, evidence technicians, or forensic evidence technicians. This certificate of achievement is also designed to provide those students who are pursuing careers in law enforcement the opportunity to broaden their knowledge and appreciation for the value that forensic evidence plays in the role of solving crime. This certificate of achievement will also serve as a primer for those students who wish to pursue a higher level of education in forensics at the university level. This Forensic Evidence program is approved by the International Association for Identification (IAI).
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
3. Candidates who have completed the Basic Academy or the Reserve Level 1 program may request to waive 6 units from the following courses in the Criminology degree program: CRIM 1, 6, 7, 12.
4. The *Certificate of Achievement* requires completion of the major (33 units) with a "C" or better grade in each course.
5. BIOL 11AH will be deleted from curriculum effective Spring 2021.
