NOTES:

1. This degree is designed for individuals seeking a career in drafting/CAD. The drafting field serves a number of vocations, professions, and industries. The courses and training are designed along practical lines as required by industry so that students, upon completion of their training, are better qualified to obtain employment in drafting/CAD or related occupations.
2. Recommended Elective: DRAFT 19, Work Experience (Cooperative), Occupational.
3. Students with high school articulation credit should consult a drafting instructor prior to registration.
4. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
5. The *Associate Degree* requires completion of the major (33 units) with a "C" or better grade in each course. Students must complete one of the three different general education patterns: option 1 – Fresno City College General Education, option 2 – CSU GE Breadth– California State University General Education, OR option 3 – IGETC – Intersegmental General Education Transfer Curriculum for a total of **60 semester units minimum** with a 2.0 or better GPA.
