CONS 56B, Residential Plumbing 2					
OR		3			
CONS 175B, Residential Wiring 2					

NOTES:

- 1. The construction curriculum is designed to provide students with hands-on training strengthened with technical information that will prepare them for entry into the construction industry or for their own personal construction projects. Specialty courses are available in Plumbing and Electrical to give students a greater depth of knowledge in construction.
- 2. Recommended Electives: WELD 1; BT 1; BSCA/CONS 56.
- 3. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
- 4. The Associate Degree requires completion of the major (38-41 units) with a "C" or better grade in each course. Students must complete one of the three different general education patterns: option 1 Fresno City College General Education, option 2 CSU GE Breadth– California State University General Education, OR option 3 IGETC Intersegmental General Education Transfer Curriculum for a total of **60 semester units minimum** with a 2.0 or better GPA.
