Notes:

1. Fresno City College is located in an area that is rich in the history and contemporary cultures of American Indians. California has the highest American-Indian population in the United States; and has several indigenous communities in our immediate area. American Indian Studies exists to serve Indian and non- Indian students who will be working in any service field, academic or social institution. The program leading to the Associate in Arts Degree will also provide a foundation in American Indian Studies for students wishing to pursue a higher degree in the subject at a four-year college or university. In recent years, several graduate programs have begun in American- Indian Studies at universities in California and elsewhere.
2. See a counselor for specific information about major, minors, and transfer programs to a four-year college or university.
3. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
4. The *Associate Degree* requires completion of the major (21 units) with a "C" or better grade in each course. Students must complete one of the three different general education patterns: option 1 – Fresno City College General Education, option 2 – CSU GE Breadth– California State University General Education, OR option 3 – IGETC – Intersegmental General Education Transfer Curriculum for a total of **60 semester units minimum** with a 2.0 or better GPA.
