PE 40B, Intercollegiate Volleyball		3			
PE 42B, Intercollegiate Water Polo		3			
PE 71, Soccer		1			
FE / I, SUCCEI		1			

Notes:

- 1. Kinesiology studies the function and performance of the human body though the sciences of anatomy, physiology, biomechanics, and psychology. With a diverse curriculum, students can choose from courses such as anatomy and physiology, health and wellness, nutrition, sports psychology, athletic training, and coaching. Students will be presented with both theoretical and practical applications of the science of kinesiology, as it pertains to exercise, sport, and physical activity. Coursework in this field is intended to improve students' knowledge about health, fitness, and lifetime wellness as they relate to personal and community well-being. A degree in kinesiology has become a valuable asset in pursuing relevant and rewarding professional careers.
- 2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
- 3. The Associate Degree requires completion of the major (18-22 units) with a "C" or better grade in each course. Students must complete one of the three different general education patterns: option 1 Fresno City College General Education, option 2 CSU GE- California State University General Education, OR option 3 IGETC Intersegmental General Education Transfer Curriculum for a total of **60 semester units minimum** with a 2.0 or better GPA.
