05/11/2018	My Portal Student log-in Changes	New Log in process through the Ellucian system. Review the new Log-In instructions or contact the Student Support Help Desk at 559-499-6072 for assistance.
10/15/2017	Waitlist Rule Changes	Students are responsible for moving their own classes from their Waitlist to their Schedule AFTER receiving a Student email notification to do so. You have only 4 calendar days to register from the date of the email. Once your opportunity has expired, we will offer the seat to the next student on the list. This cannot be waived or undone. Check your STUDENT email daily if you are on a waitlist!
08/14/2017	Work Experience Class Registration	Students must register for ALL Work Experience Classes in person at the Admissions and Records counter. Please have the Course and Section number and the number of units for which you wish to register as well as your government issued photo ID and student ID number. NOTE: RN and Autism Tech students can only be registered in RN-19 and AHLTH-19 through the Allied Health Division Office.
