

SUMMER - Important Dates

This listing contains high level information only. Deadlines are tighter than during Spring and Fall. For information on Census Dates for summer session classes, contact your instructor. ALL Percentage deadlines are **VARIABLE**, depending upon the class. **If you are not in good standing or have academic or business office holds you must clear the hold to add your class regardless of method.** You cannot use WebAdvisor to drop the class without clearing hold, but you can drop using email or in person.

For refund deadlines, contact the Business Office. Contact Admissions and Records and have your 5-digit section number ready for other variable dates if they are not on your class's syllabus. **Unless otherwise noted, deadlines are at 5:00 pm, the close of business, on the date indicated.**
