Friday: 8:00am-2:00pm

Saturday: 9:00am-3:00pm

- All traditional tutoring services for math students will be offered online in Fall 2020 using Zoom:  
<https://cccconfer.zoom.us/j/7843728873>
- The Zoom link to access math tutoring will be available in Canvas
  - FCC Tutoring Center->Online Math Support Center
- Embedded Tutoring
  - An embedded tutor is a tutor who works with one instructor and conducts weekly study sessions specifically for students in that particular class
  - Embedded tutors know exactly how the instructor is teaching the material and what homework they are assigning, so they are prepared to help students with each of their assignments
  - Embedded tutors' hours will be announced on Canvas
- Drop-in Tutoring
  - Math tutors are available throughout the week to help students enrolled in any math class
  - There is no need to make an appointment
  - Just click on the tutoring link, you will be signed in, and then directed to a tutor
