

SPECIAL CIRCUMSTANCE REQUEST

Student Name _____ Student ID Number _____

We recognize that the FAFSA may not always portray a clear picture of your financial situation. Although consideration for specific situations is limited, we may be able to give additional consideration for certain situations. Submitting an appeal for special circumstances does not guarantee an adjustment will be made to your aid package. Decisions are final and will be communicated directly to the student.

Section A - Special Circumstances for Consideration - Please review and indicate which Special Circumstance applies to you. Documentation listed as **required** but not submitted along with this form will cause a delay in our ability to review your request until every required document has been received. Additional documentation that helps support your appeal, even if not listed as required, may be requested. **Once you have all required documents please call our office to make an appointment at (559) 442-8245. Please make sure you list your FCC Student ID number at the top of all submitted documents.**
