YOUR SUBSTITUTE must have a written statement signed by you authorizing registration on your behalf. Forms are available at the Admissions and Records Office. It is not necessary that your authorization be made on the form provided by the college; however, if you prepare your own statement, it must contain specific information. Specific instructions on how to use the *Add Authorization* with Self-Service is provided by the instructor at the time the *Add Authorization* is acquired.

Students who are not in GOOD standing will not have access to register in Self-Service. Students will need to contact Admissions and Records at: registration@fresnocitycollege.edu

Other Important Information

Corequisites

Requires that you take simultaneously with another class if not already completed (concurrent enrollment).

Prerequisites

Prerequisite requirements must be met in order to register for classes with a prerequisite. See a counselor for assistance to clear any prerequisite requirement.

Instructor Permission

Classes requiring instructor permission must be cleared by the instructor. Obtain necessary permission from the instructor or division office.

Variable Unit Courses

Self-Service: For variable unit courses, you will need to enter the number of units you want to add.

Waiting Lists

Once classes reach their seat capacity, you will be notified that the class is closed and may be given the option to be placed on the waiting list (not all classes have waiting lists). Students are limited to one waiting list per course.

DROPPING A CLASS – Refer to the Enrollment Dates and Deadlines on page 1. Students may drop a class using Self-Service or in person.

It is the student's responsibility to officially drop classes in which the student no longer wishes to be enrolled.

- Withdrawal from a full-term 18-week class through the end of the third week (prior to the 20 percent point) will result in no entry on the student's permanent record.
- Withdrawal from a full-term 18-week class beginning the fourth week through the ninth week (50 percent point) of instruction will result in an entry of "W" recorded on the student's permanent record.
- Withdrawal from a short-term class will vary based upon the meeting dates of a class. The student will need to obtain these dates from the Instructor. An entry of "W" will be recorded on the student's permanent record beginning at the 20 percent point of a class through the 50 percent point of a class.

WITHDRAWAL FROM COLLEGE – A student may withdraw from all of classes, using Self-Service provided the student is in GOOD standing, or in person through the last day of the ninth week for full-term classes (18-week) or the 50 percent point of short-term classes. The student may also mail or fax a signed letter that must be received on or before the final drop date, to the Admissions and Records office. Mailing address and fax number available at www.fresnocitycollege.edu/AR. Excessive "W's" will be used as factors in progress probation and dismissal.

GENERAL REQUIREMENTS FOR REGISTRATION

DOUBLE-CHECK everything carefully. The college assumes no responsibility to adjust time conflicts which are the result of the student's own error. The online registration system will catch most time conflicts, but the final responsibility is yours.

Prerequisites/Corequisites/Advisories

Students are urged to study the description of courses in the college's catalog to ensure that prerequisites are satisfied before registering for a course. Correct registration at an early date is important. A prerequisite is defined to mean a condition of enrollment that a student must meet in order to register in a course or program. A student may challenge any prerequisite by completing the Prerequisite/Corequisite Challenge Petition available in the Counseling Center. It is the student's responsibility to be certain that he/she has met the necessary prerequisite(s) for any course he/she wishes to take. The student will be dropped from any class where it is verified that the necessary prerequisite has not been successfully passed. Prerequisites will be validated after final semester grades have been posted. It should be understood by the student that whether or not a prerequisite is specifically stated, the instructional staff of Fresno City College assumes that each student who enrolls in a transfer-level course possesses sufficient competencies in the areas of reading, writing and mathematics to be able to profit from instruction. A corequisite indicates that the course must be taken simultaneously with another course if not already completed. Advisory indicates that the institution recommends, but does not require certain course work be taken prior to enrolling in the described course. Effective July 1, 2025, new math placement guidelines will be implemented that may impact students enrolling in math coursework for the first time. Please see a counselor if you have any questions or trouble enrolling into a math course or its corequisite support course.

Other Limitations on Enrollment

Enrollment in certain courses or educational programs of study may require tryouts, auditions or may be limited by health and safety considerations, facility limitations, faculty workload, the availability of qualified instructors, funding limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

MANAGING CLASSES WITH SELF-SERVICE

Adding and Dropping Classes

Adding a Waitlisted Class:

- STEP 1: If you are on a waitlist, it will remain on your schedule until you receive permission to register by email. Be sure to check your student email daily as you will have four days to add the course if granted permission.
- STEP 2: Before the permission expires, make sure you go back into your schedule and register for the class. To access your schedule, log in to MyPortal and access the Self-Service app. Under the Academics tab, select Register for Classes.
- STEP 3: Click the register button.

Adding a Class After it Begins:

- STEP 1: If you are still on the waitlist by the time the class starts or just need to add a class after the semester has begun, add the class to your schedule in Self-Service. Then, either sit in the class or, if the class is online, email the professor on the first day of the class. The professor's email can be found in Section Details. Make sure to give the professor your student ID#, along with the course and section number you wish to add.
- STEP 2: If there is availability, the professor will authorize you to add the class. You will know you are authorized once you see the 'Authorized for Add' message in Self Service. You will now have the ability to register for the class by selecting 'Register'.
TIP: Make sure you know your ID number when asking a professor to join their class. They will need it to give you authorization to add the class. TIP: If you are on the waitlist, let your professor know. You will have a higher priority over other students.

Dropping a Class:

- STEP 1: If you need to drop a class, go back into your schedule and press the blue 'Drop' button. We recommend that you find or register for the replacement section before you drop the class. Note: If you are dropping a class but don't plan to replace it with another, make sure to speak to a counselor first. Dropping a class may affect your financial aid and/or Student Educational Plan. If you don't drop by the drop deadline, you may be required to pay for the course. *TIP: If you are dropping a course due to a time conflict, select 'View other sections' to see what other times the course is offered.*

IMPORTANT: Federal Financial Aid Recipients

Any federal financial aid recipient totally withdrawing from classes prior to the completion of 60 percent of the semester may be expected to repay all or a portion of any federal financial aid received.

2025-2026 California College Promise Grant

The California Community Colleges offer the California College Promise Grant for students who are California residents and who meet any one of the following three criteria.

1. You or your family are receiving public assistance from the Temporary Assistance to Needy Families (TANF, formerly AFDC) or supplemental Security Income (SSI) or General certification from the California Department of Veterans Affairs.
2. You meet the following income standards:

Number in Household (including yourself)	Your Family Income Last Year (adjusted gross income and/or untaxed income)
1	\$22,590 or less
2	\$30,660 or less
3	\$38,730 or less
4	\$46,800 or less
	Add \$8,070 for each additional dependent beyond four.

3. You have completed the 2024-2025 Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (CADAA) and have demonstrated at least \$1,104 of "financial need."

Students can apply for a California College Promise Grant at the Financial Aid Computer Lab in LI-123

Students applying for a summer 2025 California College Promise Grant must complete the 2025-2026 FAFSA application. All students will be charged the health fee of \$18 for summer 2024. The California College Promise Grant does not waive this fee.

Course Repeatability for Financial Aid

- If a student takes a course and does not successfully complete it, units for the same course can be included in the calculation of his attendance for any subsequent semesters as long as the student continues to meet Satisfactory Academic Progress standards.
- If a student has passed a course two times and enrolls in the course a third time the units will not be fundable for financial aid. All "D" grades are considered passing for financial aid regardless of institutional policy.
- If a student has passed a course and repeats the course, but receives a failing grade the second time then the student will be ineligible for future funding for that particular course.

The regulations do not allow accommodation for "special courses" or for certain groups of students, such as those with disabilities. All students are treated the same for calculation of attendance status for the federal programs.

Class Attendance

A student who does not attend the first meeting of any registered class may be dropped from the class. It is the student's responsibility to make arrangements with the instructor if the first class meeting is missed. A student who is continuously absent

for two weeks may be dropped by the instructor provided the absences occur prior to the final drop deadline. Students who show a pattern of absences which the instructor considers excessive may also be dropped prior to the final drop deadline provided the instructor has given students notice of this policy in the course syllabus. In accordance with the State Education Code and college policy, no student may be dropped after 50 percent of the class but must receive a letter grade other than a "W." Students who intend to drop a class should do so themselves and not depend on the instructor to drop them for nonattendance. The college and its individual instructors assume no responsibility to change grades assigned to a student as a result of the student's failure to drop a class properly.

Student Right-to-Know Campus Security Act

In compliance with the Student-Right-to-Know and Campus Security Act of 1991 (Public Law 101-542), it is the policy of the State Center Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1996, a cohort of all certificate-, degree- and transfer-seeking, first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at the State Center Community College District, nor do they account for student outcomes after this three-year tracking period.

Based upon the cohort defined above, 27.5 percent attained a certificate or degree or became 'transfer prepared' during a three-year period from Spring 1996 to Spring 1999. Students who are 'transfer-prepared' have completed 56 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 20.9 percent transferred to another postsecondary institution, (UC, CSU, or another California community college) prior to attaining a degree certificate or becoming 'transfer-prepared' during a five-semester period from Spring 1997 to Spring 1999.

Annual reports of criminal activity and procedures for prevention of campus crime as required by the Crime Awareness and Campus Security Act of 1991 are available at the District Police Department.

Synchronous means the class meets at scheduled times online. Video Conferencing is used for scheduled days/times.

Asynchronous means the class does not meet at a scheduled time. Students are required to attend class by logging in via Canvas and completing course requirements including video lectures, readings, discussions and other assignments.

Hybrid means that some class time is scheduled in-person or online. Some course requirements are completed asynchronously in the virtual classroom via Canvas. Exams may be required in-person.

In-person classes are scheduled for regular days/times/locations. Online homework and resources may be utilized as part of the in-person class.

**Check the location and class notes for details and additional information.*

What is Canvas?

Canvas is the Learning Management System (LMS) where your virtual classroom exists. Most classes at FCC require computer access. When students enroll in a course at FCC, they are automatically given access to Canvas and to published courses. Most of your courses will not be visible/published until the first day of class.

System Performance. Once enrolled, perform a computer systems check with tools provided in the Virtual Hub for Students (VHS). For best performance, a laptop or desktop that supports the most recent browser versions is recommended. Please see the Online Instruction

webpages within the FCC website for suggestions and identified limitations of ChromeBooks, I pads, and Windows with "S" or "SE" modes.

Internet Speed. Canvas has been built to accommodate low bandwidth environments. However, some digital tools used within Canvas, including video content and Respondus, require high-speed internet. Check with your instructor and the VHS for more information.

Mobile Student App for Canvas. The mobile app should only be used for communicating via messages or discussions, viewing course calendar and grades, watching some video content and for checking due dates/assignments. The mobile app does not offer full functionality for Canvas and internal tools within your course in Canvas.

Confirm Link for limited mobile app features <https://community.canvaslms.com/t5/Canvas-Basics-Guide/What-are-the-limited-support-guidelines-for-mobile-browsers-on/ta-p/389121>

Computer Access. FCC supports student success and access with various student computer labs in the Library and Business Building. The Library has a limited number of laptops and I pads to loan to students. Some course materials will not operate on an I pad. For more information, consult with the Library and VHS for Computer Lab access.

Note: Computer Labs have limited weekend hours. Please check.

The Virtual Hub for Students (VHS). All students have access to the VHS. Information on how to be a successful student online, how to use Canvas, and guidance for a variety of digital technologies utilized for learning. Check for regular updates throughout the semester. For questions, please stop by Library Room 141 (The Den). You can also find additional contact info in the VHS.

Digital Literacy. Experience using Microsoft documents, Google, Email, and other computer applications is necessary for your success. Resources are available from your instructor, in the VHS and in person by visiting LI-141 during scheduled hours.
