ENROLLMENT DATES AND DEADLINES

Apply online at www.fresnocitycollege.edu. NEW, TRANSFER AND HIGH SCHOOL ENRICHMENT STUDENTS must file an application for admission in order to receive an assigned registration date. RETURNING FORMER STUDENTS who have been away for two or more semesters must file an application in order to receive an assigned registration date. CURRENTLY ENROLLED STUDENTS will receive their spring enrollment material beginning in October (currently enrolled students do not need to reapply.) For best selection of classes, students are encouraged to enroll on their assigned registration date. Students may combine regular full-term 18 week courses with short-term courses.

IMPORTANT MESSAGE ON DROP DATES AND OTHER STATE-MANDATED DEADLINES It is the student's responsibility to comply with the following state-mandated deadlines.

Fee Refund: State code defines the drop-deadlines required to qualify for fee refund/reversals as on or before 10 percent of the duration of the class. Check with Admissions and Records or the Business Office for deadlines.

Pass/No Pass: Students must submit a request if they wish to take a class on a Pass/No Pass status (or cancel a previous request for Pass/No Pass status). Check with Admissions and Records for the deadline on your class. A "P" (Pass) grade is not an acceptable grade for courses in a Transfer Major.

No Record (DR): Classes dropped before 20 percent of the class meeting dates will not be reflected on the student's transcript. Check with your instructor for the deadline applicable to your class.

Withdrawal (W): A student will be assigned a grade of "W" for classes dropped on or after 20 percent of the class meeting dates, up to and including 50 percent of the class meeting dates. After the 50 percent point, the student must receive a letter grade other than a "W" (i.e., A, B, C, D, F, I, P, NP). Check with your instructor for the deadline applicable to your class.

COMMON COURSE NUMBERING SYSTEM

Changes Effective Fall 2025

As a result of AB 1111, California Community Colleges are in Phase 1 of adopting a common course numbering system for all general education and transfer pathway courses. The purpose of the CCN system is to ensure that comparable courses across all community colleges have the same course number. The goal is to streamline the transfer process from California Community Colleges to four-year postsecondary educational institutions and reduce excess credit accumulation.

The chart below provides a list of courses that will be offered throughout the SCCCDC with a comparison of the current course prefix and number and the new course prefix and number based on the CCN system beginning fall 2025. If you have any questions, please contact your counselor at the college you are attending or plan to attend.

Understanding Class Meeting Days/Times for Online Classes 100% Web/Online

Synchronous means the class meets at scheduled times online. Video Conferencing is used for scheduled days/times.

Asynchronous means the class does not meet at a scheduled time. Students are required to attend class by logging in via Canvas and completing course requirements including video lectures, readings, discussions and other assignments.

Hybrid means that some class time is scheduled in-person or online. Some course requirements are completed asynchronously in the virtual classroom via Canvas. Exams may be required in-person.

In-person classes are scheduled for regular days/times/locations. Online homework and resources may be utilized as part of the in-person class.

**Check the location and class notes for details and additional information.*

What is Canvas?

Canvas is the Learning Management System (LMS) where your virtual classroom exists. Most classes at FCC require computer access. When students enroll in a course at FCC, they are automatically given access to Canvas and to published courses. Most of your courses will not be visible/published until the first day of class.

System Performance. Once enrolled, perform a computer systems check with tools provided in the Virtual Hub for Students (VHS). For best performance, a laptop or desktop that supports the most recent browser versions is recommended. Please see the Online Instruction webpages within the FCC website for suggestions and identified limitations of ChromeBooks, Ipads, and Windows with "S" or "SE" modes.

Internet Speed. Canvas has been built to accommodate low bandwidth environments. However, some digital tools used within Canvas, including video content and Respondus, require high-speed internet. Check with your instructor and the VHS for more information.

Mobile Student App for Canvas. The mobile app should only be used for communicating via messages or discussions, viewing course calendar and grades, watching some video content and for checking due dates/assignments. 14 SPRING 2026 CLASS SCHEDULE

MANAGING CLASSES WITH SELF-SERVICE

Adding and Dropping Classes

Adding a Waitlisted Class:

- STEP 1: If you are on a waitlist, it will remain on your schedule until you receive permission to register by email. Be sure to check your student email daily as you will have four days to add the course if granted permission.
- STEP 2: Before the permission expires, make sure you go back into your schedule and register for the class. To access your schedule, log in to MyPortal and access the Self-Service app. Under the Academics tab, select Register for Classes.
- STEP 3: Click the register button.

Adding a Class After it Begins:

- STEP 1: If you are still on the waitlist by the time the class starts or just need to add a class after the semester has begun, add the class to your schedule in Self-Service. Then, either sit in the class or, if the class is online, email the professor on the first day of the class. The professor's email can be found in Section Details. Make sure to give the professor your student ID#, along with the course and section number you wish to add.
- STEP 2: If there is availability, the professor will authorize you to add the class. You will know you are authorized once you see the 'Authorized for Add' message in Self Service. You will now have the ability to register for the class by selecting 'Register'.
TIP: Make sure you know your ID number when asking a professor to join their class. They will need it to give you authorization to add the class. TIP: If you are on the waitlist, let your professor know. You will have a higher priority over other students.

Dropping a Class:

- STEP 1: If you need to drop a class, go back into your schedule and press the blue 'Drop' button. We recommend that you find or register for the replacement section before you drop the class. Note: If you are dropping a class but don't plan to replace it with another, make sure to speak to a counselor first. Dropping a class may affect your financial aid and/or Student Educational Plan. If you don't drop by the drop deadline, you may be required to pay for the course. *TIP: If you are dropping a course due to a time conflict, select 'View other sections' to see what other times the course is offered.*

CLASS SCHEDULE PLANNING HINTS

Planning your class schedule (along with an alternative schedule or two), obtaining the necessary approval signatures (see Counseling, page 20, for details), clearing registration holds, etc., should be done well in advance of your assigned date in order to avoid last minute delays in your registration.

- **BEGIN PLANNING** your class schedule with those courses which are the most critical for you to have or those which are limited to one or two sections. Build the balance of your schedule around these courses. Prepare several alternative schedules in case your first choice(s) is closed. Also take into consideration such things as your transportation time to and from the campus, finding a place to park, travel time between class locations, your job and break periods for meals and/or library preparation time.
- **DOUBLE-CHECK** everything carefully. The college assumes no responsibility to adjust time conflicts which are the result of the student's own error. The online registration system will catch most time conflicts, but the final responsibility is yours. The time you invest in this type of planning will not only help to make your registration much easier but will also make your entire semester more enjoyable and productive.

Late Registration/Add Period

Beginning the first week of classes, a student on a class WAIT LIST or wishing to add a class will be required to obtain an *Add Authorization* from the instructor of record. *Add Authorization* allows the student to register for that class using the Self-Service registration system. Specific instructions on how to use the *Add Authorization* with Self-Service is provided by the instructor at the time the *Add Authorization* is assigned.

Students who are not in "Good" standing or have any outstanding registration holds will not have access to Self-Service registration. The student will need to contact Admissions and Records at: registration@fresnocitycollege.edu or submit a request at www.fresnocitycollege.edu/AR.

Other Limitations on Enrollment

Enrollment in certain courses or educational programs of study may require tryouts, auditions or may be limited by health and safety considerations, facility limitations, faculty workload, the availability of qualified instructors, funding limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

- **INSTRUCTOR PERMISSION** – Classes require instructor permission. Obtain the necessary permission from the instructor or division office.
- **PETITION REQUIRED** – Classes are part of a learning community or special program. Please refer to the printed schedule for contact information

Prerequisites/Corequisites/Advisories

Students are urged to study the description of courses in the catalog to ensure that prerequisites are satisfied before registering for a course. Correct registration at an early date is important.

A prerequisite is defined to mean a condition of enrollment that a student must meet in order to register in a course or program. It is the student's responsibility to be certain that they have met the necessary prerequisite(s) for any course.

A corequisite indicates that the course must be taken simultaneously with another course if not already completed.

The student will be dropped from any class where it is verified that the necessary prerequisite or corequisite has not been taken or has not been successfully completed with a grade of "C" or better, or a successful challenge is not on file.

It should be understood by the student that whether or not a prerequisite is specifically stated, the instructional staff of this college assumes that each student who enrolls in a transfer level course possesses sufficient competencies in the areas of reading, writing and mathematics to be able to profit from instruction.

Prerequisites and Corequisites can be fulfilled in the following ways:

- **SUCCESSFUL** completion of the prerequisite or corequisite course with a grade of "C" or better.
- **CHALLENGE** – Students may furnish other evidence (e.g., college transcript, other college placement tests) which provides verification they have successfully completed the college level prerequisite or corequisite course(s). This evidence **MUST** be presented or available to a counselor at the time you seek written approval prior to registration.
- **OPTING OUT** – Students whose math placement indicates a required corequisite math support course for the college level math course can meet with a counselor to complete a placement form in order to opt out of the corequisite support course, if they so choose.

An Advisory indicates that the institution recommends, but does not require, certain course work be taken prior to enrolling in the described course.

FEATURES TO HELP YOU WITH MANAGING WAITLISTS

- To view the status of your waitlisted class(es) in Self-Service, go to the Academics Tab, select “Register for Classes/ View My Schedule”
- A status of Registered, Not Registered, or Waitlisted will be displayed under the course title for each class on your schedule

- Drop waitlisted classes anytime by selecting “X” next to the course title

Important Notice: When Permission to Register is assigned, you must enroll for all corequisite classes of the waitlisted course.

Waitlists

When unable to find an open section of a course, students may have the option of being placed on a “WAIT LIST” for a specific section of the course. Please note that the following rules apply:

1. Students may add their name to any available “WAIT LIST” up to the last day of registration prior to the beginning of the class.
2. Students will be added to a “WAIT LIST” on a first-serve basis.
3. Students cannot be placed on a “WAIT LIST” prior to their registration appointment date.
4. Students on a “WAIT LIST” will have first priority for any seats in a “full” class that may subsequently become available during the first 20% of the course PROVIDED that they attend each and every class meeting (for 18-week semester courses, this is the first 3 weeks of class).
5. A “WAIT LIST” will be available only for current class sections that are “full” (that is, the class has reached its “maximum class size”). No “WAIT LISTS” will be available for “canceled” class sections or class sections that are not yet “full”. Not all classes have wait lists.
6. Students cannot be placed on a “WAIT LIST” for a section of a course when already enrolled in another section of that same course.
7. Students cannot be on more than one “WAIT LIST” for the same course.
8. The Admissions and Records Office will regularly monitor all classes with existing “WAIT LISTS” up to the start of the semester. When an open seat becomes available, the top student on the wait list will receive PERMISSION TO REGISTER and be notified by email. Student must register before the expiration date on the permission notice.
9. On the first day of class, instructors will determine the number of openings available in the class, and then offer spaces to students who are on the “WAIT LIST” (providing they are present in the class) in the order in which their names appear on the list. Student is responsible for officially adding the class within published registration dates.
10. After the “WAIT LIST” for the class is exhausted, additional openings, if any, will be filled by the instructor in accordance with existing college and district policy.
11. Any and all other registration rules (conflicts, overload, administrative or student holds) may prevent the student from enrolling in a class. For details or visit www.scccd.edu/waitlist

ACADEMIC REGULATIONS

- **ATTENDANCE** - Students are expected to attend all class sessions. Students may be dropped from class if they fail to attend the first class session of the semester. Only the instructor may excuse an absence. Students on a WAITLIST must attend the first class meeting to obtain instructor permission to ADD the class.
- **DROPPING A CLASS** – Refer to the Enrollment Dates and Deadlines on page 1. Students may drop a class using Self-Service or in person.
- It is the student's responsibility to officially drop classes in which they no longer wish to be enrolled.
 - Withdrawal from a full-term 18-week class through the end of the third week (prior to the 20 percent point) will result in no entry on the student's permanent record.
 - Withdrawal from a full-term 18-week class beginning the fourth week through the ninth week (50 percent point) of instruction will result in an entry of "W" recorded on the student's permanent record.
 - Withdrawal from a short-term class will vary based upon the meeting dates of a class. The student will need to obtain these dates from the instructor.
 - An entry of "W" will be recorded on the student's permanent record beginning at the 20 percent point of a class through the 50 percent point of a class.
- **WITHDRAWAL FROM COLLEGE** – A student may withdraw from all classes, using Self-Service, provided the student is in GOOD standing, or in person through the last day of the ninth week for full-term classes (18-week) or the 50 percent point of short-term classes. The student may also mail or fax a signed letter, and must be received on or before the final drop date, to the Admissions and Records office. The mailing address and fax number available at the college website: <http://www.fresnocitycollege.edu/AR>. Excessive "W's" will be used as factors in progress probation and dismissal.

Dropping/Withdrawal Due to Extenuating Circumstances

Exceptions to the Final drop (50 percent point) deadline may apply due to extenuating circumstances. Extenuating circumstances are verified cases of natural calamity, military conscription, family or job displacement, jury duty, declaration of war, death in the immediate family, accident or illness, or other circumstances beyond the control of the student. Petitions for Withdrawal due to Extenuating Circumstances are available at the Admissions and Records office or online at www.fresnocitycollege.edu/AR.

1. The petition must be submitted no later than the last day of the class that is to be dropped.
2. The student must withdraw from all classes. Exceptions may be considered on a case-by-case basis.
3. Approved withdrawals will result in a "EW" mark recorded on the student's record.

Course Repetition for a Better Grade

Students may repeat a college course, not designated as repeatable, in which they have received a grade of D, F, NC/NP, or W, by re-enrolling in the course. 1. Student has received two (2) failing grades D, F or NC/NP, or

Students can view all course families lists in the College Catalog.

MISCELLANEOUS INFORMATION

Address Change

It is the responsibility of the student to keep the college informed of their current address. Students can make address changes in Self-Service at <https://selfservice.scccd.edu/student>.

Class Attendance

A student who does not attend the first meeting of any class for which they have registered may be dropped from the class. It is the student’s responsibility to make arrangements with their instructor if the first class meeting will be missed. Absences from class due to transportation delays, personal and business engagements, or to complete registration or program changes are considered unexcused absences. A student who is continuously absent for two weeks may be dropped by the instructor provided the absences occur prior to the final drop deadline. Students who show a pattern of absences which the instructor considers excessive may also be dropped prior to the final drop deadline provided the instructor has given students due notice of this policy in the course syllabus. In accordance with the State Education Code and college policy, no student may be dropped after 50 percent of the class but must receive a letter grade. Students who intend to drop a class should do so themselves (see Dropping a Class on page 13) and not depend on the instructor to drop them for nonattendance. The college and its individual instructors assume no responsibility to change grades assigned to a student as a result of the student’s failure to drop a class properly.

Computer/Network Equipment Use Policy

Student Right-to-Know and Campus Security Act

In compliance with the Student-Right-to-know and Campus Security Act of 1991 (Public Law 101-542), it is the policy of the State Center Community College District and Fresno City College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1996, a cohort of all certificate-, degree- and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Fresno City College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 27.5 percent attained a certificate or degree or became 'transfer prepared' during a three-year period from Spring 1996 to Spring 1999. Students who are 'transfer-prepared' have completed 60 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 20.9 percent transferred to another postsecondary institution, (UC, CSU, or another California community college) prior to attaining a degree, certificate or becoming 'transfer-prepared' during a five-semester period from Spring 1997 to Spring 1999.

Annual reports of criminal activity on campus and procedures for prevention of campus crime as required by the Crime Awareness and Campus Security Act of 1991 are available at the District Police Department.

Transcripts of courses taken at any college or center of the State Center Community College District may be requested over the Internet at www.fresnocitycollege.edu/transcripts. ETHNIC STUDIES AREA 6

This area can be satisfied with courses that were approved for CSUGE Area F, IGETC Area 7, or Cal-GETC Area 6 at the time they were completed at the institution where the course was completed. The website Assist.org will have lists of California Community Colleges and what courses were/are approved for each of those GE areas. If a student has completed an Ethnic Studies course or from one of the four autonomous disciplines (African American Studies, American Indian Studies, Asian American Studies, Chicano Latino Studies or a prefix similar to those) prior to Fall 2021 at a CSU, UC, private university or out of state those courses would typically not meet this requirement. Please meet with a counselor for more information.

Trial Schedule Worksheet:

For each class, list the course number in the appropriate time slots for each day the class is scheduled to meet. If class time extends beyond the hour (such as a class that meets from 9:00 to 10:15), shade in the time slot to the nearest half hour. It is the responsibility of the student to avoid time conflicts. The college assumes no responsibility to adjust time conflicts that are the result of a student error. Exam Conflicts, Makeup Exams, or Exam by Special Arrangement*	Wednesday, May 20	7:00 am - 9:00 a.m.

DAY CLASSES

1. If your class does not start on the hour, please assume that it starts at the beginning of the hour in order to determine on which day and at what time your final exam will be. (For example: If you have a 9:30 a.m. Tuesday/Thursday class, your class will then fall into group 9:00 B.)
2. Classes which meet two days a week and which have different starting times for those two days will have a final exam determined by the first class meeting of the week. (For example: A class which meets at 9 a.m. on Monday and 10 a.m. on Wednesday will fall into group 9:00 A.)
3. Examinations calling for special arrangements and/or approved makeup exams must be scheduled through the class instructor. Final examinations not adhering to this schedule may be made by the instructor and are subject to approval by the division dean.
4. Students who have three final examinations scheduled on the same day may seek to have one final exam moved to another day by contacting the individual instructors BEFORE the start of the final exam week.

EXTENDED DAY

(Classes beginning at or after 4:30 p.m. and Saturday classes.)

1. Final exams will be given during the final exam week using the above schedule.
2. Classes which meet more than once during a week will meet only once during the final exam week, with the class meeting devoted to the final examination. Unless approved by the division dean, such classes will meet on the first normally scheduled night.

NOTE: Instructors must submit their final grades in the Student Services Building, no later than noon on Monday, May 20, 2024.

* Open periods are for final exam conflicts, makeup exams, and exam by special arrangement.

** Classes falling into these groups are possibly in conflict with other classes. If so, the other classes have priority for the rooms. The instructor will choose an open period for the final exam.

§ For night classes, the instructor should begin the final exam at the time the class usually begins.
