**Notes:**

1. This degree is designed for students interested in working in the field of chemical dependency. Completion of the total program will broaden a candidate's understanding and assist in preparation needed to enter the field. These core classes of the degree are accredited by the California Association for Alcohol/Drug Educators (CAADE) and recognized by the other counselor certification organizations in California. The degree offers course work leading to a certificate of achievement, and an AS degree in Alcoholism and Drug Abuse Counseling.
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.

3. \*\*HS 42 is a prerequisite to HS 43, and HS 43 is a prerequisite to HS 19B. The courses must be taken in that order (42, 43, 19B) and may not be taken concurrently.
4. The Associate Degree requires completion of the major (36 units) with a “C” or better grade in each course plus the completion of the General Associate Degree requirements – basic competencies, physical education/Dance, and lifetime physical and mental wellness – and General Education requirements for a total of **60 semester units minimum** with a 2.0 or better GPA.
