Notes:

1. The student interested in a career teaching industrial arts and technology may complete the lower division requirements at Fresno City College and transfer as a junior at the end of two years. The sample program shown parallels lower division at California State University, Fresno, and is acceptable for majors in this area. Students should carefully check the lower division requirements of other colleges to which they plan to transfer for minor variations. This program has been articulated with the California State University, Fresno Industrial Arts Department since spring semester 1974.
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
3. Recommended electives ARCH 12; WELD 1.
4. The Associate Degree requires completion of the major (18 units) with a "C" or better grade in each course plus the completion of the General Associate Degree requirements – basic competencies, physical education/Dance, and lifetime physical and mental wellness – and General Education for a total of **60 semester units minimum** with a 2.0 or better GPA.
