**MA 19, Work Experience (Cooperative) Occupational		1-4			

The Medical Assistant – Clinician Program prepares students for employment in a medical facility assisting the physician with the diagnosis and treatment of patients in a physician's office, clinic, surgery center, or hospital. The Medical Assistant assists the physician with patient examinations and treatments.

Admission Policy:

1. Graduation from high school with a minimum grade average of C (2.0) in high school work or complete the General Educational Development (GED) test with an average score of 45.
2. Have no physical impairment that would preclude the performance of all Medical Assistant-Clinician duties. After selection as a qualified student to the Medical Assistant-Clinician program, the student must submit evidence of physical examination by a licensed physician.
3. Background checks may be required dependent on your clinical placement. A negative result may impact placement in a hospital/clinic.

NOTES:

1. All courses in the major must be completed with a "C" grade or better.
2. In addition to the program requirements, the *Associate Degree* requires the completion of the General Associate Degree requirements –basic competencies, physical education/Dance, and lifetime physical and mental wellness –and General Education requirements for a total of 60semester units minimum with a 2.0 or better GPA.
3. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
4. The Medical Assisting Students and faculty work together to secure work experience sites for on-the-job-training.

5. Student must be enrolled in at least one other FCC course while completing MA 19 during the fall or spring semester.
6. Prospective Medical Assistant –Clinician students are encouraged to meet with an Allied Health Counselor. Please call (559) 244-2604 to schedule an appointment.
7. **Upon completion of these courses, students will be able to take the California Medical Assistant Certification Examination.

**INFORMATION SHEET FOR
MEDICAL ASSISTANT-CLINICIAN**

1. A Medical Assistant-Clinician MA-C assists the physician in examining and treating patients. The MA-C is usually a "back office" job as opposed to the "front office" Medical Assistant- Administrative person who performs the receptionist, clerical, and billing functions.
2. Upon successful completion of the Medical Assisting-Clinician program with an AS degree or certificate option students are eligible to apply for the California Medical Assisting Certification Examination and Registered Medical Assisting (RMA) examination.
3. Enrollment into the Medical Assisting Program courses is first come first serve. Students may register into the MA courses on WebAdvisor. Please meet with an Allied Health Counselor, for more information. Please call (559) 244-2604 to schedule an appointment.
4. Prior to passing the California Medical Assistant Certification Exam: about \$13.00 per hour; After passing: salary varies depending on health care facilities.
5. For further information, please refer to the following:
 - a. Research the Dictionary of Occupational Titles (D.O.T. 079.364-010 and -014, 079.367-010 and 079.374-018),
 - b. Research the Employment Development Department Labor Market Information Division at www.labormarketinfo.edd.ca.gov/
 - c. For additional information, please visit the American Association of medical Assistants website at www.AAMA-NTL.org
