Notes:

1. The program is a great way to develop critical and creative problem solving skills, enhance an ability to analyze complex visual information, and improve communication skills. These assets will be valuable as a transfer student to a four-year institution, whether you major in art or some other field, and will enhance your preparation for a wide range of career opportunities.
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
3. The Associate Degree requires completion of the major (24 units) with a "C" or better grade in each course plus the completion of the General Education requirements (either CSU GE breadth or IGETC) for a total of **60 semester units** with a 2.0 or better GPA.
4. *Art 3, Art 4, and Art 7 should be taken before other courses in the major.
