Notes:

1. This curriculum is for the student considering employment in graphic communications production. Completion of the program will provide entry-level skills and a general understanding of production techniques ranging from computerized layout through output in print, internet publishing, interactive digital media products, and re-purposing work for distribution.
2. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
3. The *Associate Degree* requires completion of the major (42 units) with a "C" or better grade in each course plus the completion of the General Associate Degree requirements – basic competencies, physical education/Dance, and lifetime physical and mental wellness – and General Education requirements for a total of **60 semester units minimum** with a 2.0 or better GPA.
